1) First Order of Business – Motion to Approve Previous Meeting Minutes
   a. Minutes were approved

2) Membership roster - Active vs Inactive
   a. Need assignments.
   b. Need updated contact info for who wants to be an active member.
   c. All "active" members should express desire to be active and indicate what they are providing in the way of service to the committee.

3) COE Grouting Manual
   a. Dave Paul distributed the draft copy to the COE's Grouting manual.
   b. Not posted yet on the COE- relink on our site.
   c. Thank you to the COE for providing.
   d. Can COE provide a short article on the release of this document on Grout Line. (Rafael will follow up)
4) **Jet grouting guide**  
   a. update? - post on our new web site.  
   b. Tom Richards will lead a survey of the authors and other members to see if there is new content to be added for an update.

5) **Recap Mike B Webinar**  
   a. Went well.  
   b. Britt submitted one for chemical and ultrafine grouting to be done in spring 2015.  
   c. Paolo will submit one on jet grouting.  
   d. Bill Warfield - Grouting equipment.  
   e. Allen to send the forms-Done.

6) **Compaction Grouting Guide update-update**  
   a. Sam Bandimere will develop another article about concrete pumps not working for compaction grouting.  
   b. Consensus Guide selling, but needs to begin the 5 yr update.  
   c. Sam to follow up with Dawn to confirm this is on track or nearly done.

7) **New GI Web Site**  
   a. home for Grouting Committee  
   b. GI new web - be the first pilot for the new Web Site.  
   c. We don’t have any of the past info. Need to recreate. Paolo will follow up.  
   d. Track downloads and if possible know who downloads.  
   e. Paolo will compile the content to be included on the site.  
   f. Contact Rob Schweinfurth to get details about implementation.

8) **Grout Line Articles**  
   a. ICOG could be one.  
   b. Diggs for grouting could be another.  
   c. Allen to look into COE manual and talk w consultant about level of effort.

9) **ICOG**  
   a. Need to define what will be the role of the Grouting Committee in the future organization of the Grouting Conference and with ICOG.  
   b. Mike Byle and Don Bruce met with representatives in Hong Kong. Not a viable location.  
   c. Singapore was another consideration, but that has fallen through.  
   d. Hawaii is a possibility we are looking into that location.

10) **GI/Structural Congress**  
    a. 2016 in Phoenix call for abstracts and sessions.  
    b. Steve M will announce to the committee and seek feedback.  
    c. Doug Horvath will assist.
11) **Officer Transition**
   a. Steve Maranowski ready to step aside.
   b. Paolo nominated for Chair.
   c. Passed and propose to TCC. Paolo will develop candidates for CoChair and Secretary.
   d. Committee thanks Steve for his work as Chairman.

12) **Meeting Schedule**
   a. Meet every three months in person or by conference call. Paolo will make it happen.
   b. Next meeting by conference call: middle of January 2015. Paolo will inform.
   c. Next meeting in person at IFCEE March 17-21, 2015, San Antonio TX. As per official schedule, the tentative date is Friday March 20, from 1 pm to 3 pm.
   d. World Tunneling Conference in 2016 may be a location for a meeting.

13) **Grouting Course Colorado School of Mines**
   a. Doing well and growing attendance. June was a success.
   b. Looking for new help on the field day.

14) **UCA of SME – Chemical Grout Task Force**
   a. Britt Babcock is chair for a chemical task force for the UCA of SME.

15) **Meeting Adjourned**

MoM prepared by Britt Babcock and reviewed by Paolo Gazzarrini
